## ***Award-winning Underwriting Analyst Joins Albers & Company***

Bob Bentley recently joined Albers & Company as Manager of Underwriting and Analytics. His areas of expertise include cost management strategies, claims data analytics, and health care reform compliance. Bentley brings a depth and breadth of experience that will expand and enhance the level of service Albers' clients receive.

Bentley has over 25 years of health insurance experience managing, underwriting, and analyzing data with employers of all sizes, in particular large, self-insured organizations that require in-depth analysis of data, compliance audits and interpretation of regulations.

Bentley is well respected and has elevated his profession through developing software programs that led to greater client engagement and efficiencies. His work has garnered several awards including, President's Circle Award, Outstanding Service Award, Regional Champion Award, Crystal Apple Award, Golden Acorn Award, among others.

Our community has greatly benefited from Bentley's charity. He actively contributed through board chairs to several PTAs, Association of Health Underwriters and the Washington Digital Learning Commons.

Bentley received his Bachelor of Arts degree in Economics and Philosophy from Central Washington University. He is a licensed insurance producer in Washington, Oregon and Arizona.

### **ABOUT ALBERS & COMPANY**

Albers & Company is a full service strategic employee benefits consulting firm, helping Washington businesses to develop an organized approach to complex employee initiatives. Products and services are offered through a strategic review of business' current employee benefits and industry analysis to align business goals with employee compensation.
